The famous road to Pai. Ride north on Road 107 to Mae Malai, then turn onto Road 1095 and count the bends: 762 of them over the mountains to Pai. The surface is good but the road is busy with minivans that cut corners, so keep to your side on the blind ones. Stop at the viewpoints near the top, and at the Memorial Bridge just before town.

Fuel stops Mae Malai at the turn-off, then Pai. A few small stations on the way.
