The classic half-day ride out of Chiang Mai. Head north to Mae Rim, turn west up the Mae Sa valley on Road 1096 past the Queen Sirikit Botanic Garden, and climb through the forest to the Samoeng viewpoint. Drop into Samoeng for lunch, then take Road 1269 back over the ridge and down to the canal road. About 100 km of curves with very little traffic once you leave the valley.

Fuel stops Fill up in Mae Rim before the climb. Samoeng town has fuel; there is little in between.
